GRILLED ON BIG GREEN EGG | B&B SAUCE

beredng: Onze kip krijgt de eerste beredng op de Big Green Egg. Daarna wordt het verder gegaard in de oven - slow cooking - 6 uur op lage temperatuur. De kerntemperatuur houden we nauwkeurig in de gaten zodat we precies weten wanneer de kip heerlijk mals, sappig en gaar is. De kip blijft bij slow cooking van binnen wat roze van kleur maar is echt gaar!
