GRILLED ON THE BIG GREEN EGG | B&B SAUCE 28.00

ABOUT OUR CHICKEN

First, our chicken is grilled on the Big Green Egg. Then it is further cooked in the oven - slow cooking - for six hours at a low temperature. We keep a close eye on the core temperature so that we know exactly when the chicken is deliciously tender, juicy and cooked. With slow cooking the chicken stays a little bit pink on the inside but is really cooked!
